Asset finance from Renishaw

Renishaw offers flexible financing to give you low initial capital costs and fixed monthly payments over the life cycle of your equipment.

Because we manage our asset finance agreements in-house we offer competitive rates with simple pricing structures. You will not be transferred to external finance providers.

Renishaw systems are designed to be robust, providing long and reliable service in the most demanding environments. Our stability and commitment to research and development enables our partners to exploit new technology whilst ensuring they benefit from investments in equipment with extended service lives.

You can be confident that Renishaw will provide long-term support to your business; we have over 40 years of experience working with leading engineering, scientific and technology companies around the world. Asset finance allows your business to maintain flexibility so you can be responsive when needs change and exploit opportunities when they arise.

Hire Purchase

A Hire Purchase agreement with Renishaw provides all the benefits of ownership without the initial capital outlay. After a deposit you pay regular instalments covering capital repayment, interest and maintenance.

The monthly cost is fixed for the life of the agreement irrespective of what happens to market interest rates.

Key features of a Hire Purchase agreement:

- Shows as an asset on your balance sheet
- VAT on equipment paid up-front
- Flexible agreement length (from 2 to 5 years) to match your cash flow requirements
- Maintenance itemised separately
- Fixed monthly cost
- The equipment is owned by you when all payments have been made

Simple process steps

Our in-house financing approach allows us to run a fast, straightforward approval process, all managed by your main sales contact with no administration or legal fees charged by Renishaw.

Renishaw's sales representative will take you through a step by step, fully transparent demonstration of operating costs.

Once you have chosen your preferred option Renishaw can guide you through the credit application.

A full proposal for the equipment purchase and asset finance package will be issued.

To proceed, all you need to do is sign the lease agreement.

Initial payment
